2. Every insolvency petition shall be entered in the Register of Insolvency Petitions to be maintained in all Courts exercising Insolvency Jurisdiction and shall be given a serial number in that Register and all subsequent proceedings in the same matter shall bear the same number.

3. All insolvency proceedings may be inspected at such times and, subject to such restrictions as the District Judge may prescribe, by the Receiver, the debtor, and any creditor who has proved, or any legal representative on their behalf.

Notices.

4. Whenever publication of any notice or other matter is required by the Act to be made in an official Gazette, a memorandum referring to and giving the date that such advertisement appeared, shall be filed with the record and noted in the order sheet.

5. Notice of an order fixing the date of the hearing of a petition under Section 12 (*1*) shall, in addition to the publication in the local official Gazette required by the Act, be also advertised in such local newspapers as the Court may direct. A copy of the notice shall also be forwarded by registered letter to each creditor to the address given in the petition. The same procedure shall be followed in respect of notices of the date for the consideration of a proposal for composition or scheme of arrangement under Section 27 (*i*).

6. Notice of an order of adjudication under Section 16 (7) is required by the Act to be published in the local official Gazette. The Court may also order that it should be published in such local newspapers as it may direct. When the debtor is a Government servant a copy of the order shall be sent to the head of the office in which he is employed.

The same procedure shall be followed in regard to notices of orders annulling an adjudication under Section 42 (*3*).

7. The notice to be issued by the Receiver under Section 39 (*4*) before the declaration of a final dividend to the persons whose claims to be creditors have been notified, but not proved, shall be sent through the post by registered letter.

Receivers.

10. Every appointment of a Receiver shall be by order in writing signed by the Court. Copies of this order sealed with the seal of the Court should be served on the debtor, and forwarded to the person appointed.

11. A Court when fixing the remuneration of a Receiver should, as a rule, direct it to be in the nature of a commission or percentage of which one part should be payable on the amount realised, after deducting any sums paid to several creditors out of the proceeds of their securities, and the other part on the amount distributed in dividends.

12. The Receiver shall keep a cash book and such books and other papers as to give a correct view of his administration of the estate and shall submit his accounts at such times and in such forms as the Court may direct. Such accounts shall be audited by such person or persons as the Court may direct. The costs of the audit shall be fixed by the Court and shall be paid out of the estate.

Such proof should be in Form No. 7 in the Appendix.

Dividends.

17. The amount of the dividend may at the request and risk of the creditor be transmitted to him by post.
